Dear Friends:
Nassau County is home to immigrants from countries around the world. Bringing with them unique traditions, culture and history, immigrants enrich the lives of everyone in our communities. Unfortunately, immigrants can also be victims of crimes and witnesses to crimes in our communities. Those who do not speak English well, or who are not familiar with the laws of this country, are particularly vulnerable to criminals. That is why we created the Office of Immigrant Affairs, to protect individuals from being victimized and to encourage victims and witnesses to come forward. Our goal is to enhance the safety of all Nassau residents. Reach out to us, we are here to help.

Sincerely,
Anne T. Donnelly
District Attorney

Office of Immigrant Affairs

The Immigrant Affairs initiative of the Nassau County District Attorney’s Office addresses the victimization of immigrants who are often targeted for criminal schemes related to legal services, employment, wages, and housing. Many immigrants are not familiar with the legal system of the United States and may have difficulty with the English language - making them especially vulnerable to criminals.

This program is meant to encourage both victims and witnesses to seek help. The District Attorney’s Office treats a victim’s immigration status with confidentiality. Our goal is to protect all residents of Nassau County and support them when they seek justice.

COOPERATING WITH US WILL NOT AFFECT YOUR IMMIGRATION STATUS

Let Us Help!

Examples of frauds/scams the DA’s Office of Immigrant Affairs pursues:

- Individuals who pretend to be attorneys and give legal advice when they are not licensed attorneys
- People who promise immigrants green cards or work visas that they cannot provide
- Construction contractors who hire immigrants to work but do not pay them the salary required by law
- Fraudulent or abusive labor practices
- Individuals who produce and sell fraudulent social security cards, licenses, passports and other documents
- Individuals or businesses that offer housing and other services but just take your money and disappear
- "Notario" fraud – Most notaries are not lawyers and cannot give legal advice or represent you.

We want to send the message loud and clear to immigrants who are victims or witnesses to crimes: we speak your language, and we are here to help you.”
